

Green Initiative in Corporate Governance

Dear Member,

We firmly believe that holding shares in de-mat form and receiving dividends through Electronic Clearing Service (ECS) will reduce consumption of paper to large extent. Further, as part of “Green Initiative for Corporate Governance”, the government has allowed companies to send notices and documents to their shareholders electronically to facilitate paperless communication. (*Circular No. 17/2011 dated 21/04/2011 and Circular No. 18/2011 dated 29/04/2011 issued by the Ministry of Corporate Affairs*)

Your company welcomes this move and strongly recommends to all the shareholders to opt for this type of communication. This will also ensure prompt receipt and avoid loss of paper-documents in transit. Last year, your company had sent the annual reports electronically to a few shareholders. There are many shareholders who have not yet registered their e-mail addresses.

We request them to fill up the ‘E-Communication Registration Form’ given below and send it back to the company. The registration form can also be downloaded from the company’s website www.pelgel.com.

Let us whole heartedly participate in this Green Initiative!
